5/11/2010 - Heavy Metal Crime in Eagan with Heavier Reward

The Eagan Police Department has partnered with Crime Stoppers of Minnesota to seek information regarding the theft of large quantities of stainless steel wiring from a business in Eagan.

Throughout the month of April 2010, Twin City Wire, a business located at 3350 Dodd Rd., in Eagan has had over 18,000 pounds of various size wire finished product and supplies stolen from their property. Due to the heavy nature of so much material it is possible that passersby or workers at adjoining and area businesses may have seen or heard unusual activity during the night or on weekends. It is possible that the suspects may be driving a white 1992-1995 Ford pickup with a blue stripe.

Through a special arrangement Crime Stoppers is offering a **reward of up to \$2,000** for information leading to the arrest and conviction of the suspects involved in this case. Tips can be provided anonymously through the Crime Stoppers [Web Tip Form](#), by toll free phone calls, or through text messaging.
